

3 GRAINS

FUNCTIONS PACKAGES

DO DIFFERENT, DO 3 GRAINS!

At 3 GRAINS we make pizza that makes you feel good! Something we're really proud of.

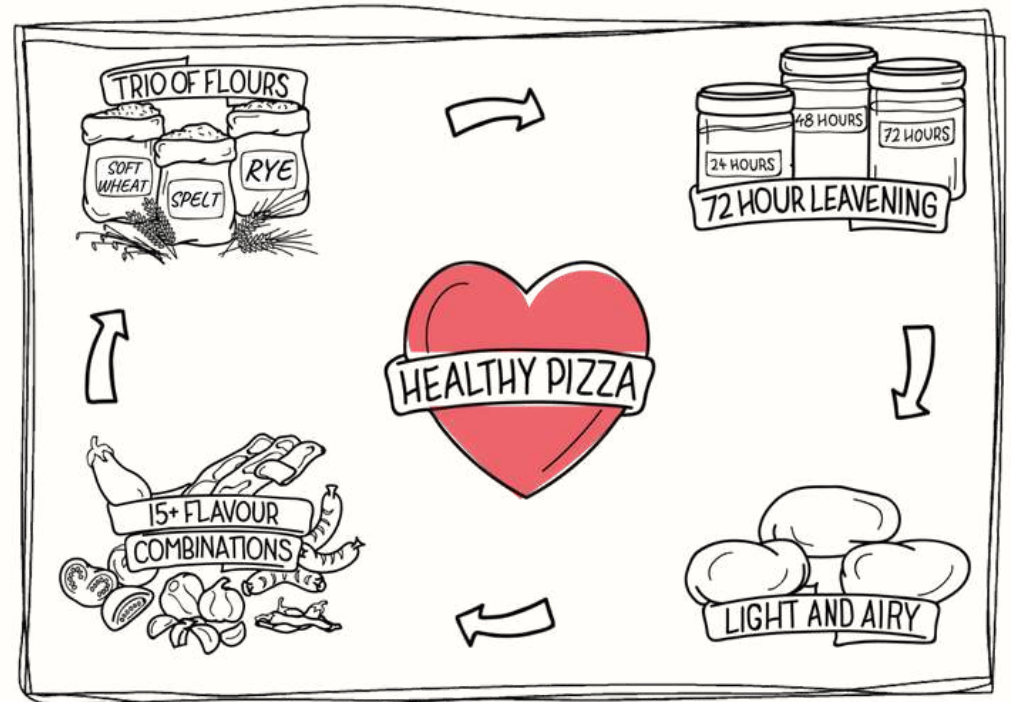

How? Simple!

We use a traditional Roman approach to pizza making, blending 3 types of stone-ground flours that create a base that is carefully balanced - high in fibre, protein and flavour - making our pizzas tasty, crispy and nutritious.

With our 72 hour slow ferment, you get a pizza that is good for you - light, gentle on your stomach and easy to digest!

3 GRAINS. Pizza that makes you feel good!

Just like with our signature 3 GRAINS dough, our house-made GLUTEN-FREE base has all the texture and crunch of normal pizza, but suitable for those with sensitivities.
